SPREAD THE WORD!

*In this time of uncertainty,
tension and fear, we turn to God
for strength and guidance.*

*In the spirit of our healing
charism, the Franciscan Sisters
of the Poor and Associates are
introducing the*

"In God We Trust" initiative.

*When you feel anxious or
disturbed by a conversation,
a news report, an article in the
paper or social media posting,
just whisper*

"In God We Trust."

*It will serve to ground you in
faith, encourage you in hope
and enhance the peace in your
heart that is God's*

*gift to us. We invite you to join
our initiative,*

"In God We Trust"

*as a means of spreading peace
and harmony to others and to
our world.*

As a Peace and Social Justice
effort, we invite you follow this
initiative on Friday and Saturday
fb postings through mid-January!

Circle the City with Love

**Sunday, January 15th from 3:00-3:30pm
Centennial Barn, on the St. Clare Campus**

Thousands of citizens representing diversity
are expected to join "Circle the Cities with
Love" throughout the USA and Canada.

The Franciscan Sisters of the Poor invite you
to join them in this non-partisan, no-labels,
no issue event at the Centennial Barn. This is
to embody the power of LOVE that brings reconciliation,
healing, unity and peace to our cities, our country and our
world through the simple act of holding hands and standing
together as one in intentional silence at an important
moment in our history. Participants will hold hands for 30
minutes in silent, peaceful witness and reflection.
